Experience: This year marks the 18th year it opened a clinic
1995-2004 Nagoyashi aichiken japan Prism Acupunc Clinic
2004-2014 Isigakishi okinawaken japan Prism Acupunc Clinic
2014 Kuwait football association demonstration
1995 Clinic opened .80,000 patient visits for several Acupuncture
is a 35-year career history. Treatment of medical conditions are good,
the therapeutic effect is confident from the experience of practice, such
as injuries. Sporting arthritis. Autonomic ataxia. Spinal stenosis.
Lumbago. Sciatica. The Japanese have a habit of acupuncture from
ancient times also. I think I can contribute to the acquisition of Japanese
patients.1984-1995 Other work in clinic To develop skills and therapeutic
1980-1983 Fukami Central Hospital (Aichi Prefecture itushikimachi)
Acupuncture Oriental Medicine Division

publishing 2011 NAS method Acupuncture
